

FORM TO REGISTER INTEREST IN OUT-OF-CATCHMENT TRAVEL ARRANGEMENTS

Returning this form will enable us to arrange subsidised travel to/from school in some cases, and inform others of possible public transport routes. Where public transport is not available, we may contract a bus company, work out the routes and times, and ask you to contribute towards the cost.

There will be no reduction or concessions for students so it is important that the costs are considered carefully by parents and carers.

As an indication, we currently run buses to/from the Lowestoft area for which students contribute £168 per term. The cost and times of travel will depend on the numbers of students on the bus, and distances involved. This will be worked out in good time for Summer Term 2012 when bus passes will be sent out.

Thanks for your interest,
