13-18 Mixed Roll 984, Sixth Form 250

TEACHER OF SCIENCE
Maternity Cover

MPS

Required from 5th March 2012 to cover maternity leave, an enthusiastic and motivated teacher to teach Science at KS3 and KS4. A Physics or Chemistry specialism would be an advantage.

The school is a high performing Academy that achieved 'Outstanding' in a recent OFSTED. It has a truly comprehensive intake. Science is a strength of the school, with over a third of students taking triple Science as an option. 77% of students achieved grade Cs and 82% gained level 5 at KS3. The Faculty is friendly and welcoming with 12 well equipped laboratories, supported by two excellent technicians and an administrative assistant.

Application form and further details are available from Mrs Charlish, Head's P.A. on 01986 891642, email bcharlish@bungayhigh.co.uk or visit the website www.bungayhigh.co.uk

Closing date for applications 31st January 2012.
