Pupil Premium Support Policy

The Pupil Premium

Bungay High School is committed to providing an excellent education for all our students.

Introduced in April 2011, the Pupil Premium is a Government initiative that provides additional funding aimed at students from deprived backgrounds. The Pupil Premium is provided to support these students in reaching their full academic and social potential.

The Leadership Team allocates the money provided, in a way which best meets the needs of present students.

Please see the three key documents below:

- The first document details how we spent our Pupil Premium allocation in the last academic year and then details what we plan to spend it on in the year ahead.

Details can be found on our website [here](#)

- The second document demonstrates the impact of our Pupil Premium Expenditure in the years 2013 – 2015.

- The Third document details our Pupil Premium strategies and their impact.
