

Bungay High School

Curriculum Structure 2026-27

The school operates a 2 week timetable, with 25 60-minute lessons per week. The following tables show how the 50 lessons per fortnight are spread across the different subjects our students study, in their broad and balanced curriculum.

Year 7

English	Maths	Science	ICT	Geog.	Hist.	RE	Languages	Technology*	PE	Art	Music	Drama	PSHEE
7	7	7	2	3	3	2	5	4	4	2	2	1	1

*Technology operates a 'rotation' system, where students are able to experience the range of technology subjects in years 7 and 8

Year 8

English	Maths	Science	ICT	Geog.	Hist.	RE	Languages	Technology*	PE	Art	Music	Drama	PSHEE
7	8	7	2	3	3	2	4	4	4	2	2	1	1

Year 9

English	Maths	Science	ICT	Geog.	Hist.	RE	Languages	Technology^	PE	Art	Music	Drama	PSHEE
8	7	8	2	3	3	2	4	3	4	2	1	2	1

^At the end of year 8, students select their favoured Technology option, for study in year 9.

Years 10-11

English	Maths	Science	PE	Option 1	Option 2	Option 3	Option 4	PSHEE
8	8	10	3	5	5	5	5	1

Students spend 2 years studying their GCSE courses. Including their GCSE options, where they select 4 subjects from across the curriculum. Students are asked to select at least one from the 'EBacc' range of subjects (languages, history, geography or 'triple' science). For full details of the options process, see the relevant document on our website.
